Allowable Subject Matter

1.   The following is an examiner's statement of reasons for allowance:

Claims 47, 48, 71-72, 76-78 and 88-90 are allowed over prior art of record because the cited references either alone or combined do not disclose the claimed invention:

A computer, a computer readable medium and a computer implement method for identifying a reminder event comprising:

receiving identifications over time, each identification indicating detection of proximity to a place or a thing;

making a log of at least some of the identifications;

running a pattern recognition algorithm on the log which recognizes the reminder event to determine that: a particular thing was taken by a person from a first place to a second place and that the person left the second place without a thing, or a person left a first place and arrived a second place without a particular thing; and

notifying the person of the reminder event.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
